"What's Something Unique About Where You Live?"

PWSA | USA wants to honor and share the creative voices of our loved ones with Prader-Willi syndrome through our new virtual Rare Aware Art Share. Please scan the QR code with your phone camera to learn more about this global art share and how to submit artwork.

*You can create your art in the space provided above, on the back of this sheet, or create something at home that shows us something unique about where you live!*
